

It was 2009.

During a commercial real estate market dip, two determined women, Jackie Pueppke and Amy Blumenthal, came together to launch CREW Omaha Metro, the Omaha chapter of CREW Network, an international organization. Its mission: to transform the commercial real estate industry by advancing women globally.

Where is CREW Omaha Metro today?

- 140 Members Strong
- Representatives of community, civic and industry leaders evidenced by our work with Girls Inc., Lutheran Family Services, CRE Summit, ICSC, CRE Hall of Fame inductees and 40 Under 40 Recipients.
- Avid supporters of the CREW Network Foundation funding industry research papers and scholarships for college students.
- UNO and UNL real estate students were each awarded a \$5,000 CREW Network Foundation Scholarship.
